DBRS is a full-service credit rating agency established in 1976. Privately owned and operated without affiliation to any financial institution, DBRS is respected for its independent, third-party evaluations of corporate and government issues, spanning North America, Europe and Asia. DBRS's extensive coverage of securitizations and structured finance transactions solidifies our standing as a leading provider of comprehensive, in-depth credit analysis.

All DBRS ratings and research are available in hard-copy format and electronically on Bloomberg and at DBRS.com, our lead delivery tool for organized, Web-based, up-to-the-minute information. We remain committed to continuously refining our expertise in the analysis of credit quality and are dedicated to maintaining objective and credible opinions within the global financial marketplace.

Note: All data is based on prospectus supplements for deals issued as of December 31, 2008.

The bolded top line of each loan group represents the transaction by which the whole loan will be administered.

TBD = to be determined (the outstanding piece of a loan that has been made and not yet placed; it may include multiple notes that will be placed in more than one transaction).

(1) Red numbers in the Count column identify loans with a subordinate B-note.

(2) Cut-off balance or the balance at origination.

(3) The note is not likely to be placed in a CMBS transaction.
